

The Day!

We're so excited to see everyone at our wedding! Here is some info on how to get there, the venue and what to do in between ceremonies. Please don't hesitate to contact us if you want any other information – we're more than happy to help!

### How to get there

Victoria Park Golf Course is situated in the inner city of Brisbane off Herston Road. If you're coming from the Northern Suburbs, head down Enoggera Road or Lutwyche Road. From the South/South West or the CBD, head north via the M3 and take the Herston Road exit. From the east you can come through Milton Road to the M3.

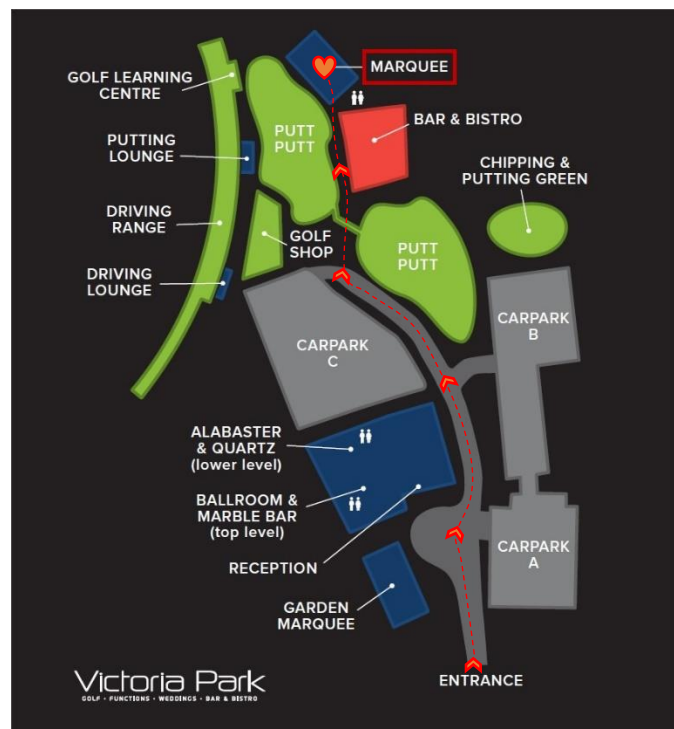

Victoria park ample parking and is complimentary for guests. If there is no parking, street parking is also available on Herston Road.

254-286 Herston Rd, Herston QLD 4006

### The Marquee

Once you're parked in the Victoria Park Golf Complex, follow signs to the Marquee. This is situated past the Putt Putt Mini Golf Area and the Bar and Bistro. The Ceremonies will take place in the Marquee Deck area.

## **What to do**

There will be 2-3 hours in between the two ceremonies. During this time we will be serving drinks and catering (including some traditional Sri Lankan Sweets!) outside in the Marquee Deck to keep you at ease. But don't be afraid to go and explore some of Victoria Park's great offerings.

**Putt Putt:** As one of our dates many moons ago, we went to play Putt Putt at Vic Park and loved it! We think you will too. It's a challenging and exciting 18 hole Putt Putt Mini Golf course which weaves around a rocky terrain while sporting a magnificent view of Brisbane's CBD skyline. (<https://goo.gl/22SOZd>)

**Driving Range:** If some would like to wind down and tune out, why not try the driving range. The facility boasts a 300m all-weather, two level, floodlit Golf Driving Range including 61 hitting bays and 10 grass greens. All equipment is available to hire, so don't worry if you're feeling ill-prepared.

**Bistro:** If you're just wanting to kick back or are feeling a bit more than peckish, why not head over the Bistro to get yourself a drink or meal and enjoy Brisbane's beautiful spring weather. The Bistro has a beautiful seasonal menu crafted by Award Winning Executive Chef Jason Pepler which showcases fresh, local ingredients and flavours. (<https://goo.gl/caUQQJ>)

**New Weekend Market Carts:** Victoria Park is now serving fresh dutch pancakes, burgers, German sausages and drinks made and served from Victoria Park's new market carts! These are located in the Bistro and next to the Driving Range. (<https://goo.gl/4QEfMh>)
